

# SAVE THE DATE

## The 2017 Oligo Meeting

### 13<sup>th</sup> Annual Meeting of the Oligonucleotide Therapeutics Society

**September 24-27**  
**Bordeaux Palais de la Bourse**  
Bordeaux Cedex, France

**Join leading experts in the field at the OTS Annual Meeting which will feature the latest development from the various oligonucleotide-based disciplines**

#### **Session Topics Include:**

Exon Skipping | RNAi | Aptamers | Immunomodulatory oligonucleotides | Preclinical and clinical applications  
Delivery | Chemistry | Safety | Antisense | microRNAs | RNA editing | CRISPR

#### **2017 OTS Annual Meeting Organizing Committee**

##### **Co-Chairs:**

Arthur Krieg, MD, *Checkmate Pharmaceuticals*

Jean-Jacques Toulmé, PhD, *Université de Bordeaux*

##### **Committee Members:**

Annemieke Aartsma-Rus, PhD, *Leiden University Medical Center*

David Blakey, PhD, *MiNA Therapeutics*

Masad J. Damha, PhD, FCIC, *McGill University*

Paloma Giangrande, PhD, *University of Iowa*

Rachel Haurwitz, PhD, *Caribou Biosciences*

Anastasia Khvorova, PhD, *RNA Therapeutics Institute, UMass Medical Center*

Marc Lemaitre, PhD, *ML\_Constult*

Brett Monia, PhD, *Ionis Pharmaceuticals*

Laura Sepp-Lorenzino, PhD, *Alnylam Pharmaceuticals*

Frank Slack, PhD, *Harvard University*

Hiroshi Sugiyama, PhD, *Kyoto University*

Jonathan Watts, PhD, *RNA Therapeutics Institute, UMass Medical Center*

The OTS offers scholarships, awards and travel grants annually.
